RUNNING INTO RSF 2017

The Orchid's Redolence

In the traditional Chinese culture, flowers have privileged position and each of them symbolized a spiritual trait or values that are cherished dearly by the Chinese. As a member of the ten most renowned flowers in China, the orchid resemble integrity, nobility, love and friendship, all of which are virtues of a perfectly cultured gentleman as scholar. The word 'Redolence' carries the meaning of the delicate and overwhelming fragrance let out by an orchid, just like harmonious tunes played by the hands of a skilful artist that tends to dig deep into the human soul. In light of organizing our 8th Red Sonata Fiesta, we encourage and uphold the values of reflecting on past mistakes and failures to inspire ourselves to dream bigger and achieve the impossible.

According to State Tourism, Arts, Culture, Multimedia and Communication exco, Datuk Nolee Ashilin Mohamed Radzi said that various programmes and initiatives were carried out to further boost activities in the state such as RED SONATA FIESTA 2017. Visit Perak 2017 can attract more tourists to Perak and RSF 2017. We believe that Visit Perak 2017 can bring the maximum number of tourists until 10 billion people to Perak. Through Visit Perak 2017, more people will know about the beauty of music and Chinese culture. This will increase the participants of RSF 2017 and achieve a more excellent result in Malaysia Record 2017. RED SONATA FIESTA 2017 will start and kick out a new page this year in the collaboration with Visit Perak 2017.

This year, Universiti Teknologi Petronas Chinese Orchestra Society, together with The Federation of Chinese Associations Malaysia (Hua Zong) will be organizing its 8th instalment of Red Sonata Fiesta (RSF'17) with the theme of 'The orchid's Redolence'. Our passion, determination, will power and endurance has served as a catalyst for us to continue challenge ourselves to craft another name in The Malaysia Book of Records in different category. Due to our endeavours, we believe that the record-breaking event will go a long way in fortifying the status of Chinese culture as well as promoting this culture to more and more people in all walks of life, especially the younger generation in the near future.

New thoughts about RSF 2017

**KEMENTERIAN
PENDIDIKAN
MALAYSIA**

For this year, we have invited participants from Taiwan and China which aimed to escalate the whole event to an international level. This provides a golden opportunity for the participants to learn and exchange ideas not only with the local participants, but also learn about the Chinese culture from other countries. This indirectly becomes a great platform to promote our country's Chinese culture to the students from Taiwan and China. It also helps in Malaysia's tourism in conjunction with the program Visit Perak 2017. It enhances the experience as the participants get to socialize with students from other countries while the cert provided is of greater value with the acknowledgement and collaboration with Kementerian Pendidikan Malaysia (KPM) especially to those students who would pursue in the music industry for their future profession.

In 2016, it was our honour that we have invited Tan Sri Pheng Yin Huah (President of Hua Zong), Dato' Seri Ong Ka Chuan, Datuk Cheng Lai Hock and Dato' Dr. Mah Hang Soon as VIPs for our main event. For this year, our confirmed VIPs will be Tan Sri Pheng Yin Huah (President of Hua Zong) and Datuk Cheng Lai Hock (Deputy President of Hua Zong) while our potential VIPs will be Dato' Seri Ong Ka Chuan, Y.B. Senator Datuk Chong Sin Woon (Deputy Minister of Education Malaysia), Y.B. Datuk Chua Tee Yong (Deputy Minister of International trade) and Dato' Dr. Mah Hang Soon for our main event (Red Sonata Fiesta 2017). It will definitely be our pleasure if we have successfully invited them to join us at RSF 2017 which will be held in Universiti Teknologi PETRONAS in July 2017.

PRE-EVENTS

Coming to the 8th instalment of Red Sonata Fiesta, we are witnessing the inaugural of pre-events for the upcoming RSF.

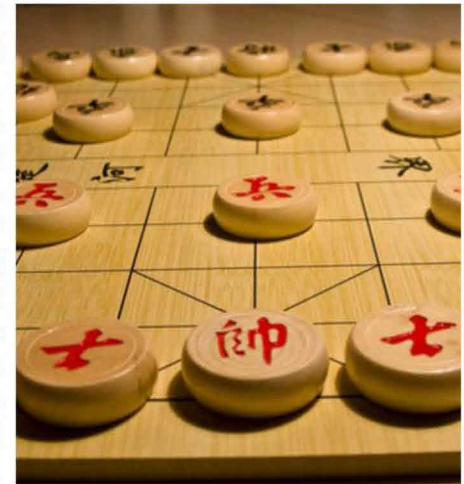

It is a community service done by RSF in collaboration with UTP-CO. For this CSR, we have paid a visit to an orphanage and old folks' home in Ipoh, namely "An Ning" to spend some time and to interact with the children and the elderly. The objective of this CSR was to create awareness among the students about the importance of LOVE & CARE towards children and senior citizen as it is a beautiful culture that should be kept by everyone.

Chinese Chess Competition

This particular competition will be tentatively held on April 2017 that has never been conducted by previous Red Sonata Fiesta. Chinese Chess also called 'xiangqi' in Chinese is a traditional and popular Chinese board game for two players. This particular board game is usually played by elderlies but in recent has caught the attention of our younger generations. We hope to unite young enthusiastic players to compete in this competition and to bring more understanding of Chinese traditions and culture among the younger generation.

This competition will be tentatively held on September 2017 and is also unique only to this coming Red Sonata Fiesta onwards. This competition is a post event of Red Sonata Fiesta which will be conducted after the main day of Red Sonata Fiesta and will be held at Alor Setar, Kedah with the help and guidance from our advisor, Mr Steven Goh. Huqin is very common in the older generations as it is one of the old instrument where people use to create music. Now, we hope that this precious heritage can be pass down to the younger generations so that it will not fade away from existence.

馬漢順：不能假手於人 傳承文化須親力親為

(怡保2日訊) 由國油大學華樂團和松達夢音樂晚會籌委會聯辦，怡保聖母中小學和霹靂州書畫聯盟協辦的國油大學之松達夢書法比賽，獲得霹靂州中小學生的踴躍參與。

這場書法比賽是於今日在怡保聖母中學禮堂舉行。霹靂州行政議員拿督馬漢順在書法比賽閉幕禮上致詞指出：在中國，傳承和發揚中華文化不能假手於人，華裔得親力親為，全力地去推動。

“身為華裔，要具備很強的民族性就得堅守傳統文化；我們要有深厚的民族內涵底蘊，就得在文化藝術上下功夫。”

建議學校推動書法教學

也是霹靂州非伊斯蘭事務局主任的他透露，近年來，霹靂州非伊斯蘭事務局主權書法營、揮春賽、圍棋課程、中華文化藝術營、華樂培訓營等，即“琴、棋、書、畫”一應俱全。事務局是用心良苦，目的是要讓年輕人從小培養“琴、棋、書、畫”四大領域的文化內涵。

他表示，對學校而言，雖然書法不是一門必修科，但擁有它的文化價值。要是能在學校大力推動書法教學，讓學生在潛移默化之下受到熏陶，熱愛中華文化，將能成為深具文化內涵的學生。
